sent her to the moon!

TWILIGHT

Who the heck wrote this?!

SPIKE

My name's Spike.

TWILIGHT

Twilight. Uh, do you know where it
is?

SPIKE

Oh ya. The library should be right
here.

TWILIGHT

Uh... You sure?

SPIKE

Positive.

APPLEJACK

Those are mangos.

TWILIGHT

I hope there aren't any other
crazy ponies like that.

THE BIRD

Hello. The Bird. I'm gonna go now.

RARITY

Spaghettinoodles!

TWILIGHT

Really starting to get on my ner-

SPIKE

No opposable thumbs.

Fluttershy WHIMPERS.

Having a big welcoming party.

TWILIGHT
Fine.

PINKIE

INT. TWILIGHT'S HOUSE - NIGHT

TWILIGHT is walking around the room and tossing books on the floor.

TWILIGHT
That's it. I'm leaving. The sooner
I get out of Ponyville, the
better.

THE BIRD appears in front of Twilight.

THE BIRD
Hello.

TWILIGHT
Ah! Freak! The Bird... What are
you doing in my house?

The rest of the MANE SIX arrive.

APPLEJACK
We need you to help us defeat
Nightmare Moon.

Twilight sighs.

TWILIGHT

What?

THE BIRD

Nightmare Moon. She must be stopped.

TWILIGHT

Yes de... Uh...

Twilight sighs.

TWILIGHT (CONT'D)

Get out of my house. All of you!

PINKIE

But if you don't help us, she'll bring about everlasting night!

TWILIGHT

Wait, what? You mean she was actually serious about that?

PINKIE

Yes! What did you think she meant?

TWILIGHT

I don't know. I thought it was like some lame insult or something.

PINKIE

No!

TWILIGHT

Well, what are we going to do?!

PINKIE

The only things that can stop her, are the Elements of Harmony.

TWILIGHT

The what?

PINKIE

They're in this book.

TWILIGHT

Kay...

TWILIGHT (CONT'D)

The Elements of Harmony consist of six elements: Honesty, Loyalty, Kindness, Laughter, and Generosity. The sixth element, is a complete mystery.

PINKIE

It's magic.

TWILIGHT

Kay... Together, they create the power of friendship... Is this a joke... Did like.

PINKIE

Just keep reading.

TWILIGHT

Fine... The last known location of the Elements of Harmony was in-

ZOOMS OUT AND FADES
TO:

EXT. FOREST - NIGHT

The MANE SIX stand outside the forest.

ALL OF THEM

The Everfree forest?!

Twilight SIGHS.

TWILIGHT

Let's get this over with.

APPLEJACK

It's gonna be a long and dangerous journey, but one I feel will bring us all, closer together.

TWILIGHT

Well how bad can it be?

CUT TO:

EXT. CLIFFSIDE - NIGHT

A MANTICORE shows up and ROARS.

TWILIGHT

Oh for the love of...

FLUTTERSHY

Oh my god. A monster! We're all gonna die!

TWILIGHT

Whoa, de- calm down, uh, yellow...

FLUTTERSHY

Fluttershy.

TWILIGHT

Fluttershy.

CUT TO:

EXT. RIVER - NIGHT

The MANE SIX gather before STEVEN MAGNET. He resides in a river.

STEVEN MAGNET

Ah. Rarity... My arch nemesis. We meet again.

RARITY

Steven Magnet.

Rarity SMACKS her lips.

RARITY (CONT'D)

We- we meet again.

STEVEN MAGNET

Ya... I said that.

CUT TO:

EXT. FOREST - NIGHT

It is very dark. Evil trees surround the MANE SIX. Fluttershy SCREAMS. The rest of the mane six then SCREAM. Lion ROARS are heard coming from the trees.

PINKIE

Guys, it's okay. All we need to do is laugh at them. Then they'll go away.

Pause.

TWILIGHT

What?

6.

CUT TO:

EXT. BRIDGE - NIGHT

THE BIRD stands before the SHADOWBOLTS, across the wrecked bridge from the MANE SIX.

SHADOWBOLTS

(whispering)

Join us, The Bird, and together we
will become the greatest aerial
team 'n all of Equestria.

TWILIGHT

The Bird! Stop talking to the
apparitions and fix the damn
bridge!

CUT TO:

EXT. CLIFFSIDE - NIGHT

RARITY runs across the screen. APPLEJACK is on the MANTICORE'S back.

FLUTTERSHY

And the last thing I said to my
mother, was, "I hate you."

TWILIGHT

Agh! Not helping.

CUT TO:

EXT. RIVER - NIGHT

The MANE SIX stand before STEVEN MAGNET. Only is head is visible out of the water. Rarity steps forward.

RARITY

Steven Magnet... Do you uh... Do
you want to buy a dress?

STEVEN MAGNET

NO! God! Stop asking me that!

CUT TO:

EXT. CLIFF - NIGHT

TWILIGHT is hanging from a cliff.

TWILIGHT
Applejack! Don't you dare let me
go.

APPLEJACK
I'm, I'm sorry, sugar cube, you're
really heavy.

TWILIGHT
Applejack, I swear! If you drop
me...

Applejack drops her.

TWILIGHT (CONT'D)
Damnit!

CUT TO:

EXT. FOREST - NIGHT

The MANE SIX stand amongst trees with faces on them. All
the characters are LAUGHING at the trees so that the trees
will vanish. Pinkie is inside a tree LAUGHING.

PINKIE
Come on guys, we almost got 'em.

EVERYONE
Whoa no! No!

PINKIE
What?

TWILIGHT
Don't laugh while you're inside
the mouth.

PINKIE
Oh wow, jeez. Wow. That was
incredibly stupid. Thanks, guys.

CUT TO:

EXT. BRIDGE - NIGHT

The SHADOWBOLTS are still talking to THE BIRD.

TWILIGHT
Don't make me come over there!

The Shadowbolts makes the fog thicker.

SHADOWBOLTS
Don't listen to her.

TWILIGHT
The Bird! Bridge! Now!

SHADOWBOLTS
Wait, what?! Why can we still hear her?

TWILIGHT
Oh what? You think fog is going to stifle my voice?

Pause.

SHADOWBOLTS
Ya?

Twilight SIGHS.

TWILIGHT
Have you ever heard of the concept of, I don't know, physics?

CUT TO:

EXT. RIVER - NIGHT

STEVEN MAGNET
I hate you so much! You suck! You-

RARITY takes off one of STEVEN MAGNET'S scales and cuts him with it.

STEVEN MAGNET (CONT'D)
Oh my god!

Steven Magnet collapses into the water.

CUT TO:

EXT. CLIFFSIDE - NIGHT

FLUTTERSHY
I mean, why would he do that?! Why would he do that?!

TWILIGHT
Fluttershy! Oh my freaking god! Shut up!

CUT TO:

EXT. CASTLE - NIGHT

The MANE SIX stand outside the old castle.

TWILIGHT

Wow. That was the stupidest,
most... annoy- long, annoying
quest ever.

CUT TO:

INT. CASTLE - NIGHT

TWILIGHT

Finally, there they are.

THE BIRD and FLUTTERSHY begin to place the Elements on the floor.

TWILIGHT (CONT'D)

Now we have to figure out how to
activate these things.

Rarity makes SMACKING NOISES.

TWILIGHT (CONT'D)

Can, uh, you- can you all leave
for a moment please. I- I need to
concentrate.

They all leave. The stones begin to move. Twilight GASPS.

EVERYONE BUT APPLEJACK

Twilight!

APPLEJACK

Sugar cube!

They all rush inside. Twilight is gone.

APPLEJACK (CONT'D)

Sugar cube! She's gone!

RARITY

No she's not. She's right over
there.

CUT TO:

INT. CASTLE - NIGHT

TWILIGHT has been transported to another part of the castle. She GASPS.

NIGHTMARE MOON
I'll just take care of these.

Nightmare Moon destroys the elements.

NIGHTMARE MOON (CONT'D)
Nothing can stop me now. The
night... Shall last... Forever! Ha
ha ha ha ha...

TWILIGHT
Nighttime, forever? Wait. Without
the sun, wouldn't all your royal
subjects freeze to death?

NIGHTMARE MOON
Ah...

TWILIGHT
And then you wouldn't have anyone
to talk to.

NIGHTMARE MOON
Ah...

Nightmare Moon STUTTERS.

TWILIGHT
And, you know, eventually this
would all be like a barren
wasteland... Kinda like the moon.

NIGHTMARE MOON
Silence! This is revenge! I **want**
the world to suffer! And with the
Elements destroyed, nothing can
stop me!

In the distance, the MANE SIX are coming up the stairs.

EVERYONE BUT APPLEJACK
Twilight!

APPLEJACK
Sugar cube!

Twilight realizes something.

TWILIGHT
You're wrong.

NIGHTMARE MOON
Really?

TWILIGHT

The Elements may be destroyed, but
their spirit still remains!

The Elements rise from the ground.

NIGHTMARE MOON

Gah, what?!

TWILIGHT

Applejack, with her blunt honesty
in telling me that I was too
heavy, represents the spirit of...
Honesty! Pinkie Pie, laughing in
the face of danger, represents the
spirit of... Laughter! Rarity,
though facing her arch nemesis,
still felt that she could give him
a dress, so she represents the
spirit of... Generosity! The Bird,
though taking like thirty minutes-
still eventually came back to us
and fixed the bridge. So she
represents Loyalty! And,
Fluttershy i... is kindness I
guess.

Fluttershy WHIMPERS.

TWILIGHT (CONT'D)

And I'm the spirit of Magic.
Together, we have the power of...
Friendship!

NIGHTMARE MOON

The, the power of what?

TWILIGHT

The power of... Please don't make
me say it again.

NIGHTMARE MOON

Did you say the power of
friendship?

Pause.

TWILIGHT

Ya.

NIGHTMARE MOON

That's it? That's your big super
weap- friendship, that, what?

TWILIGHT

I...

NIGHTMARE MOON

Friendship? What the hell is that going to do to me?

TWILIGHT

Um....

NIGHTMARE MOON

Oh what, you going to be friends at me. Is that it? You gonna be friends at me.

TWILIGHT

No.

NIGHTMARE MOON

(Sarcastically)

Oh. We're being friends sooooo hard right now!

TWILIGHT

Shut up! I... Shut up! I've read that there's a powerful beam involved.

NIGHTMARE MOON

Oh what? Is it like a rainbow colored death ray?

The Mane Six shoots a rainbow colored death ray at Nightmare Moon.

NIGHTMARE MOON (CONT'D)

(Sarcastically)

Oh look! It's a rainbow colored death ray! Wow! I didn't see that coming!

The ray hits her.

NIGHTMARE MOON (CONT'D)

Ow. Wow, that actually kinda hurts. Uh. My eyes. My eyes! They burn me! Ga! My mind! My mind! It's melting! Ga! It's seeping into my mouth! Gla! Oh god, I can taste it....

Nightmare Moon GULPS.

NIGHTMARE MOON (CONT'D)

Uh! I swallowed some... Ah...

The room is blinded by light. Everyone is lying on the ground, momentarily unconscious. Then they start to get up.

APPLEJACK

Wow. de, wow.

TWILIGHT

Ugh. Is everypony okay?

APPLEJACK

I don't think so.

PINKIE

(Bouncing up and down)

I am!

Everyone GASPS. Suddenly a light comes in through the window as night becomes day. CELESTIA hits the window.

CELESTIA

Naah. Darn it.

Celestia appears to them in an epic display of light.

CELESTIA (CONT'D)

Kneel! Kneel before your princess!

TWILIGHT

Princess Celestia!

CELESTIA

Ah... Twilight Sparkle, my faithful student. I **knew** you could do it.

TWILIGHT

Do what?

CELESTIA

Defeat my sister, Luna.

PINKIE

Hey, wait a minute... Why couldn't you stop your sist-

CELESTIA

Hey, what did I just say?

PINKIE

To kneel.

CELESTIA

That's right. Are you incapable of kneeling?

PINKIE
Well... no.

CELESTIA
Then shut up.

PINKIE
But where were you this whole time? Why didn't you intervene?

CELESTIA
I don't need to explain myself to a peasant, whatsits. Maybe I was imprisoned. Huh? Maybe I was captured. Did you think about that? Did you think about that... Balloon... Girl?

PINKIE
But she just came back from the moon, right? I don't think she would be strong enough to fight you, let alone even actually capture you.

CELESTIA
Darn it... Well maybe she took me by surprise.

PINKIE
But you said you **knew** Twilight could do it, implying that you **knew** that this was going to happen. Couldn't you like, mobilize the military-

CELESTIA
Shut up! I didn't come here to argue with a pink lunatic! Which reminds me.

Celestia walks over to LUNA. Luna looks up in fear.

CELESTIA (CONT'D)
Luna.

Luna GASPS.

CELESTIA (CONT'D)
Long time no see... Hmmm... I think you have been punished enough. You've learned your lesson.

LUNA
Oh, thank you, Celestia.

CELESTIA
Ah ah ah. First you must say that
you are sorry.

LUNA
Uh... okay... I'm sorry.

CELESTIA
There we go, that wasn't so hard
was it? Now I forgive you.

PINKIE
Wait, you sent her to the moon,
and you make **her** apologize?

CELESTIA
God! What is your problem? Another
peep out of you, and I'll send you
to the moon. Come on Luna. We're
going home. Oh, and Twilight.

TWILIGHT
Yes, Princess?

CELESTIA
I'll be giving you your official
assignment shortly. Like, like in
a few days or something.

TWILIGHT
Thank you, Princess.

CUT TO:

EXT. PONYVILLE - DAY

TWILIGHT is reading something.

TWILIGHT
She wants me to stay here and
study what?!

CUT TO:

THE END
